Medical Book Exhibition 04.03.2022 - 05.03.2022

All India Institute of Medical Sciences, Rajkot had organised a two-day Book exhibition on 4th and 5th March 2022 on 1st floor, AIIMS temporary building, PDUMC campus Rajkot Gujarat. On this occasion Prof (Col.) Dr. CDS Katoch, Executive Director, AIIMS Rajkot reviewed the book exhibition and also actively interacted with publishers, faculty and students. This exhibition was inaugurated by Dr. Vivek Sharma, Incharge Dean Academics and Head of the Department of Physiology, AIIMS Rajkot.

The noble objective of this exhibition was to make MBBS students aware about variety of medical books and information resources available under various publications ie. Wolter Kluwers, Jaypee Brothers, Elsevier, Taylor & Francis, CBS Publishers, Student Book Store, Reader's world, The Bookshop, Paras Medical Publishers. All publishers had displayed their collection of medical books of pre-clinical, para clinical and clinical books for Medical students. All attractive discounts were also given by all book sellers. There was an active and enthusiastic participation of faculty members to view latest books in their subject of choice.

Pre briefing about book exhibition was also done on 3rd March 2022 during foundation course batch 2022. This informative session was taken by Dr Rohin Garg, Associate Professor Department of Anatomy, AIIMS, Rajkot. He also addressed student queries regarding the importance of medical library, availability of books in hostels. He emphasis that everyone must visit the library to update their medical knowledge and skills.

Library committee members, AIIMS Rajkot also invited faculties and students of PDU Medical College Rajkot for active participation during book exhibition. It is therefore imperative for AIIMS Rajkot to create a culture of learning with its own set of values which will help it to collaborate in key areas of medical education. We are thankful to PDUMC for their active participation and support.

All books talk. But a good book listen as well'
