**CIRCULAR**

There has been an increase in the reported cases of viral infections, including COVID-19, Dengue and Swine flu etc.

All Faculty members, Staff and Students are advised to take appropriate measures and follow laid down protocols to include wearing of facemasks in the campus.

In view of the prevailing viral infections, including COVID-19, Dengue and Swine flu like situations and rise in number of these cases, following public health measures are to be followed to reduce the risks of these infections by all (Faculty members, Staff, Students and Visitors) at all workplace areas at all the times:

1. Physical distancing of at least 6 feet should be followed as far as feasible.
2. All are expected to use facemasks. (Triple layered/N95)
3. Frequent hand washing with soap (for at least 40-60- seconds) even when hands are not visibly dirty.
4. Use of alcohol based sanitizer (for at least 20 seconds) can be done whenever feasible.
5. Social etiquettes should be followed, this involves practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief.
6. Self-monitoring of health and reporting by all and in case of illness ~~are~~ should seek requisite medical attention.
