Introduction

These regulations will be applicable to the students of MD/MS/MDS/DM/MCh courses at All India Institute of Medical Sciences, Rajkot.

The duration of above courses is 03 years during which a student shall be assessed as under:

(A). Formative assessment:

MD/MS/MDS/DM/MCh students shall be assessed annually by the respective department. The marks will be submitted to the examination section after conduct of each assessment for calculation of internal marks. The assessment includes both theory and practical components.

Examination	Format	Weightage in Internal marks
At the end of 1st year	Theory & Practical	25%
At the end of 2nd year	Theory & Practical	25%
Before final examination (At least 6 weeks before)	Theory & Practical	50%

(B). Final assessment:

This will be carried out by examination section at the end of 3rd year. This shall consist of both theory & practical.

(C). Thesis Submission:

Submission of thesis for evaluation should be done 6 months before the final examination. Thesis will be sent outside for the evaluation in a given format. It will be evaluated by the expert other than those conducting the practical examination.

Eligibility criteria for students appearing in the Final examination

- Submission of approved thesis
- Obtaining at least 50% marks in internal assessment, both in theory and practical separately.
- Attendance: As per the resident leave policy, if leave extends the prescribed limit, tenure/examination or both may be extended.

Document Name	Post Graduate Examination Regulations		Page No.	2 of 7	
Issue No.	1.0	Issue Date	26/02/2024	Revision No.	0

- One poster/ oral presentation in concerned society, regional, State or national conference.
- One publication in peer reviewed indexed journal (Publications in predatory journals not accepted).

Examination fee for appearing in Final Examination

There shall be examination fee of Rs 1000/- (Rupees One thousand only) for appearing in Final MD/MS/MDS/DM/MCh examination.

Criteria for Passing exam

Obtaining a minimum of 50% marks in each theory paper in all the four papers for degree examination in broad specialty and super specialty subjects and obtaining 50% marks in practical examination is mandatory for passing the examination as a whole.

Internal Marks

20% marks will be calculated as internal marks out of all formative assessments, separately for theory and practical.

Final Marks

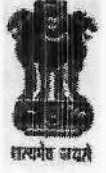

Final marks will be calculated after adding internal assessment marks and final exam marks by Examination section.

Theory		Marks	Practical
Final Exam	Paper - I	100	400
	Paper - II	100	
	Paper - III	100	
	Paper - IV	100
