

First Prize won by Medical Students in National Level Debate Competition

The department of Physiology, Sikkim Manipal Institute of Medical Sciences, Sikkim Manipal University, hosted a Webinar on International Yoga Day 2021 under the objective; “To promote fitness, positive mental health and to boost immunity through yoga practices”.

For the same event, two students of the MBBS Class of 2020, **Miss Anvi Dhakad** and **Mr. Siddharth Purohit** represented the institute in the National level Online debate competition and bagged **First prize**.

Executive Director **Prof. Dr. (Colonel) CDS Katoch** appreciated the effort of the students and congratulated them for bringing accolades to the institute. He said that this effort will further motivate all the medical students to participate in extracurricular activities along with working for the excellence in academic activities. E.D. Sir distributed the First Prize certificate and Memento to these two students.
