

All India Institute of Medical Sciences, Rajkot, Gujarat

Seminar on “Alignment and Integration of Medical Curriculum”

- Seminar was held on 20th January 2022. 2-5 pm at HSCC Hall, AIIMS Rajkot, Khanderi Campus.
- Seminar was attended by 32 Faculty members/Senior Residents of different departments.
- Prof. Vivek Kumar Sharma, Dean Academics, welcomed all participants in the seminar and introduced the topic of Alignment and Integration of medical curriculum. He also explained the objectives and purpose of the seminar.
- Prof. Sanjay Gupta conducted an interactive session with the participants and explained the basics of alignment and Integration with examples.
- This was followed by a short session where Dr. Rajesh Kathrotia & Dr. Rohin Garg shared their experience of AIIMS Rajkot regarding alignment and integration during the preceding year (1st MBBS).
- This was followed by a group activity where 4 groups were randomly created with mix of different departments and each group was assigned a task of preparing an integrated time table for one week for a selected topic. Dr. Rajesh Kathrotia & Rohin Garg explained the principles and facilitated the group activity.
- Group activities were followed by Presentations by each group of their time table and input and suggestions were given by other group members and Resource Faculties for improvement and modifications.
- Dr. Vivek Kumar Sharma concluded the seminar with summary of principles of integration and alignment. He further emphasized the preparation of all future Time Tables to follow the same principles.
