## Conclusive Report of a Workshop

A two-day training workshop entitled “Ethics and International Conference on harmonization (ICH) – Good Clinical Practices (GCP) Guidelines” was organized by Research Cell, All India Institute of Medical Sciences, Rajkot on January 27th & 28th, 2022.

The training programme was aimed at improving the conceptual knowledge of the participant for Good Clinical Practices and resolving any dilemmas that a working professional may face regarding the application of GCP guidelines at his/her workplace.

The workshop was attended by a total of 23 participants including faculties from the institute and external members from different backgrounds; encompassing multisectoral and multidiscipline participation.

Inaugural foundational remarks were placed by Respected Executive Director Sir, Prof. Dr. (Col.) C D S Katoch to mark the opening of workshop.

First plenary session was conducted by Dr. Rima Shah (Associate Professor – Pharmacology AIIMS Rajkot) on the topic “Introduction to Ethics and ICH-GCP Guidelines”. Second plenary session with Dr. Deepak Parchwani (Additional Professor and Head - Biochemistry; Associate Dean (Research) AIIMS Rajkot) as speaker on the topic “Functioning of IEC, Roles and responsibilities of IEC and SOPs”. Third scientific session was conducted by Dr. Bhavesh Modi (Professor and Head - CFM; AIIMS Rajkot) on the topic entitled “Roles and responsibilities of principle investigator”. Session 4 was conducted by Dr. Sanjay Gupta (Professor and Head – Forensic Medicine; Dean (Examination) AIIMS Rajkot) as speaker on the topic “Informed consent process”.

Each session was followed by an open house session. A pre and post-test questionnaire was given to all participants to evaluate the impact of workshop and result revealed a significant learning of participants.

A lively debate continued throughout the workshop regarding implications in clinical setting so as to magnify the participants’ care.
